CERFITICATE OF COMPLIANCE

I, David Aronow, President of Manhattan Telecommunications Corporation d/b/a Metropolitan Telecommunications a/k/a MetTel ("MetTel") hereby certify for calendar year 2007 that I have personal knowledge that MetTel has established operating procedures that are adequate to ensure compliance for the forthcoming year with the Commission's rules governing use and disclosure of confidential proprietary network information ("CPNI"), as governed by Section 222 of the Telecommunications Act of 1996 and Section 64.2001 *et. seq.* of FCC rules.

A handwritten signature in black ink, appearing to read 'DAVID ARONOW', is written over a horizontal line.

David Aronow
President

STATEMENT CONCERNING PROCEDURES
ENSURING COMPLIANCE WITH CPNI REGULATIONS

The operating procedures of Manhattan Telecommunications Corporation d/b/a Metropolitan Telecommunications a/k/a MetTel (“MetTel” or “Company”) ensure that the Company complies with Part 64, Section 2001 *et. seq.* of FCC rules governing the use of CPNI.

Compliance with the FCC’s CPNI rules is ensured by the fact that MetTel has established an internal policy limiting the use or disclosure of CPNI to very limited circumstances. Furthermore, utilizing the FCC’s small entity compliance guide, the Company trains employees on the limitations of use or disclosure of CPNI as governed by federal law and Company policy. The Company’s policy, administered by the President and Executive Vice President of MetTel, establishes the following parameters regarding the use or disclosure of CPNI:

1) MetTel does not use CPNI to market service offerings among the different categories of service, or even within the same category of service, that it provides to subscribers.

2) MetTel will not release or disclose CPNI to a third party, except as follows: MetTel will only release or disclose CPNI to a third party pursuant to a valid request from law enforcement, the federal judiciary or other appropriate authority; or, pursuant to express customer approval. For example, customer information will only be disclosed after the requesting party demonstrates that the request is made pursuant to a valid subpoena, court order, search warrant or national security letter.

3) MetTel maintains a record, for a period of at least one year, of those limited circumstances in which CPNI is disclosed or provided to third parties (pursuant to a valid request from law enforcement, the federal judiciary or other appropriate authority).

4) Violations of this policy may result in disciplinary action, including the termination of employment where appropriate.
